The Lady Gaels experienced a year of rebuilding, losing several key players from the year before. Despite this, the team worked hard, bonded with close friendships and never gave up. Regan Gannon also organized a game to raise funds for Alzheimer's research in honor of her grandfather. Receiving all-star recognition for the Lady Gaels were Alyssa LeBlanc and Rachel Guinn.

#GaelsStrongerTogether

Who would've imagined 18 years ago, the Class of 2020 would be so defined by world events? From being born during the time of 9-11, losing our beloved Ms. Patterson in the spring of 2019, the EEE mosquito crisis of Fall 2019, and the Covid-19 pandemic that sidelined the spring of our senior year, we've been through a lot!

BUT... these events have taught us to persevere and most importantly to realize that we are stronger together than we are alone. This strength and togetherness, epitomizes our class and proves that we are true Gaels.

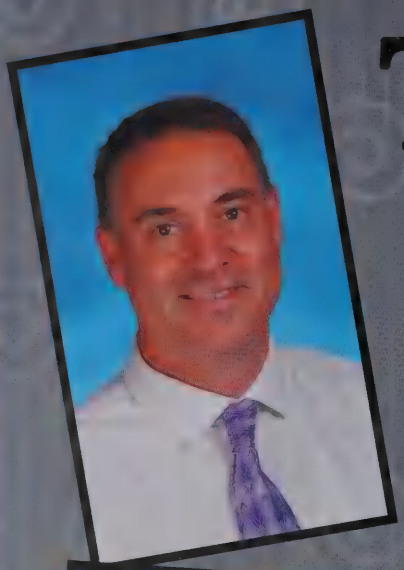
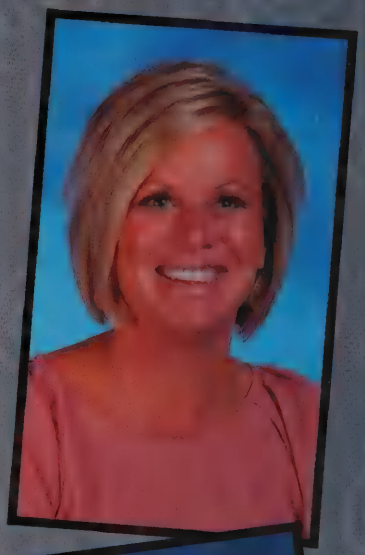
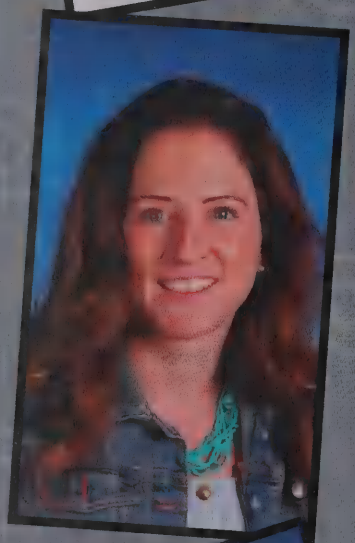
Thank You



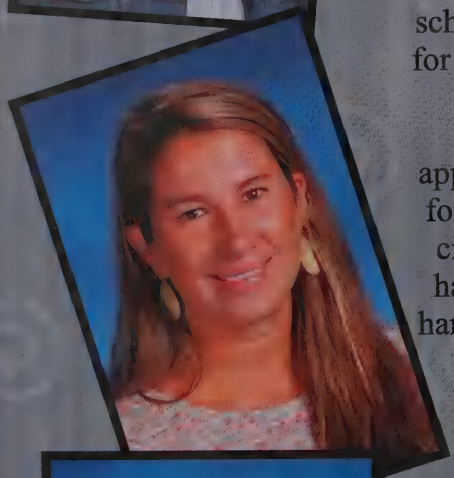


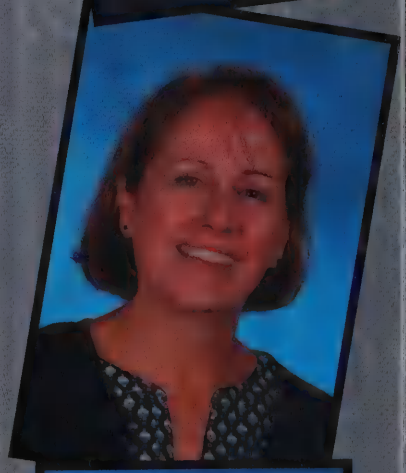
The Class of 2020 would like to take this opportunity to express our thanks and appreciation, to the entire staff and administration, for four wonderful years at Clinton High School, especially over the last, very unique year, with its unusual challenges.



Thank you to our class advisors, Miss McGrail, Mr. Czermak and Mr. DaSilva, for their support, and most notably, their willingness to let us try new things. It may not have ended the way we expected, but you made it memorable just the same.

Thank you to Mr. Czermak and Mrs. Kach, who have always strived to make CHS our home away from home, even during remote learning.





We would also like to thank Mrs. Solar, Mrs. Pupecki and Mrs. Moran, in the Guidance Department, for guiding us to our futures, and for helping us with our many college questions, scholarships, stessors and financial aid; especially for being available remotely when we needed you.

In addition, we would like to extend our appreciation to Mrs. Sweatland and Mrs. Schmidt for making graduation special despite the unique circumstances we experienced. We will always have our graduation movie to remind us of how hard everyone worked to make us feel special and honored on our graduation day.

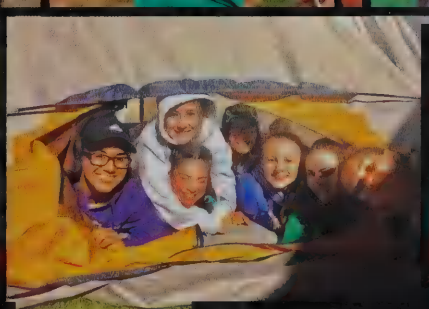
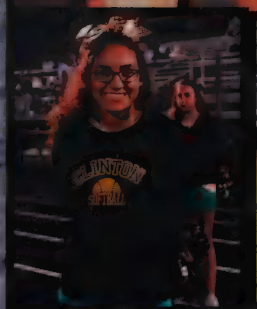
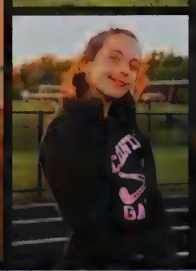
Freshman Year

We entered the halls of Clinton High School as terrified freshmen, but at the same time, full of the knowledge that we would someday be on top! We didn't let our first spirit week intimidate us, as we put our full effort into being the most competitive we could be. Our classes were an adjustment, as we realized work was going to be a lot harder going forward, but we were excited and ready for the challenge!

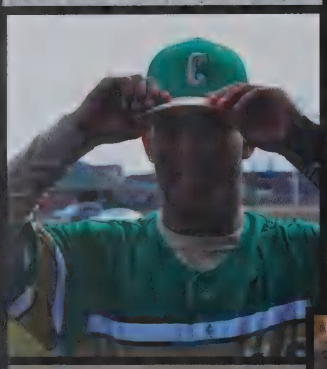


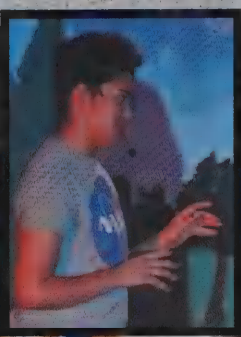


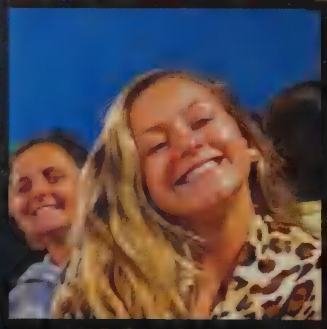


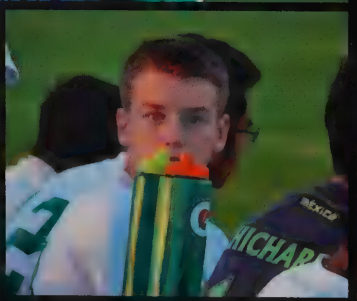
Sophomore Year

No longer the babies of the school, we were confident and ready to show what we were REALLY made of. We again put forth a forceful effort in Spirit Week. We showed our athleticism as a class, with many of our athletes performing well on the varsity level. We enjoyed our second homecoming, but most of all, we just enjoyed not being the youngest anymore.









Junior Year

We were finally one step away from total high school domination. As juniors, we upset the seniors in Spirit Week and hosted our two major dances, the Homecoming and the Prom. Despite the excitement of the year, we were ready to be seniors.

Senior Year

We never imagined when we were little kids in middle school, that the advice the teachers gave us to cherish our high school years, because they would fly by, was really true! In the blink of an eye, we went from tiny freshmen, afraid and uncertain, to dominating the school as seniors. This year didn't end the way we wanted it to, as we were interrupted by the pandemic, but it brought us closer together in a lot of ways, giving us new ways to connect with one another. We will cherish all of our memories of lunches, Spirit Week, games, plays, and just being with one another. We are certain we will look back on these days with "2020" vision and realize how much we accomplished together!

Congratulations CHS Class of 2020

Miss McGrail

Mr. DaSilva

"Oh, The Places We Will Go!"

Spirit Week

Proving our slogan that "Heroes are Remembered," we dominated Spirit Week 2019! From the Lip Dub, to the Gym Decorations, the Gym and the "kickoff" for the Powderpuff Game, we proved we were the "Avengers" we set out to be. We're certain the classes below will appreciate our absence next year, as they all might finally have a chance to win. However, they will always "remember" the defeat they experienced.

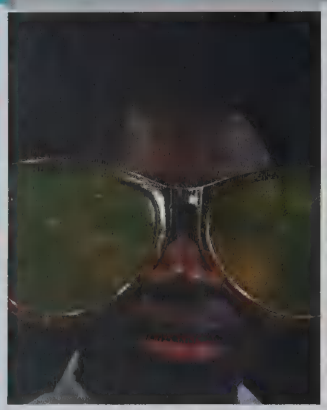
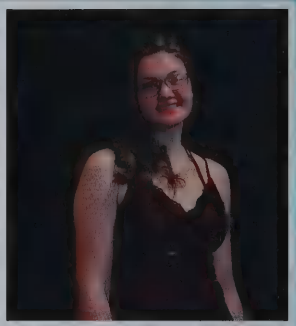
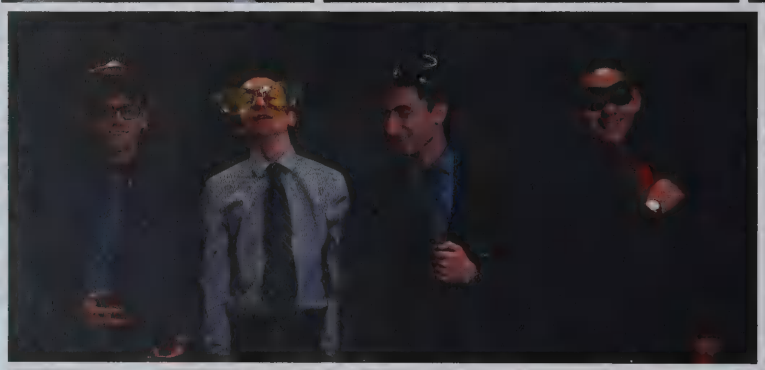
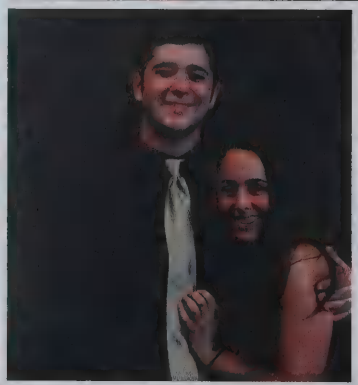
Homecoming

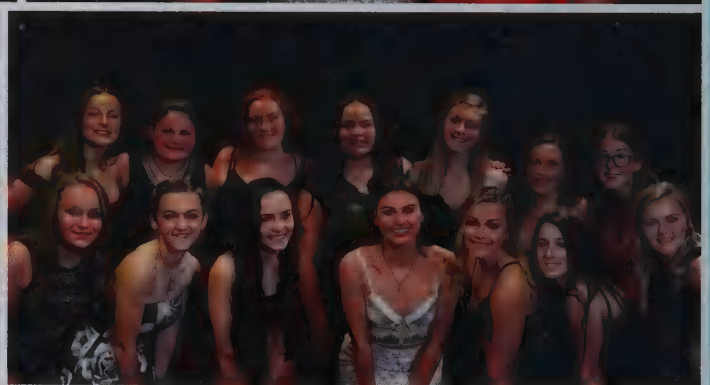
In October 2018, we hosted our first of three major dances. Our Homecoming theme was Masquerade. As we danced the night away, we showed the underclassmen how close our class was. We danced, we ate, we laughed, and we conquered the night.

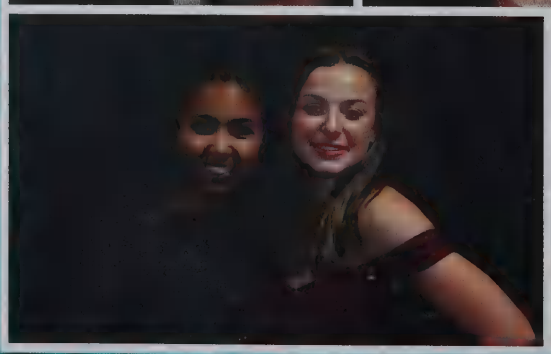


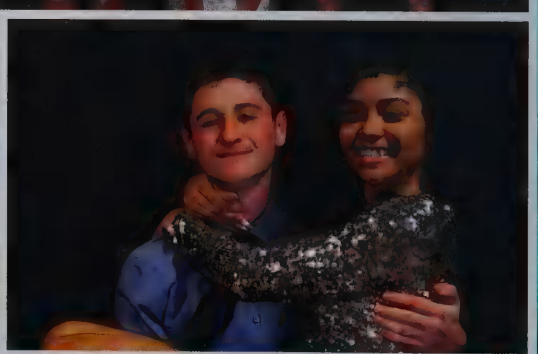


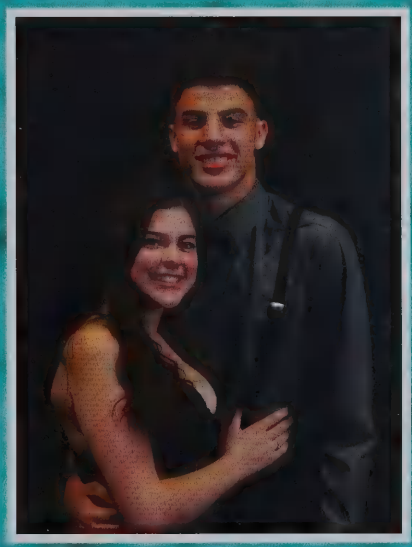


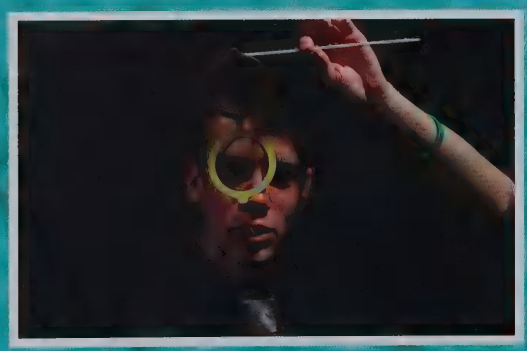


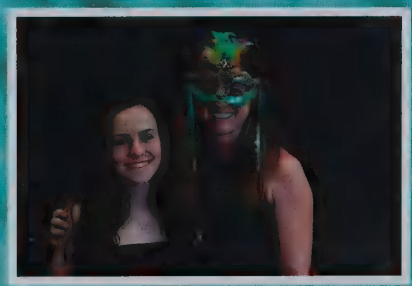


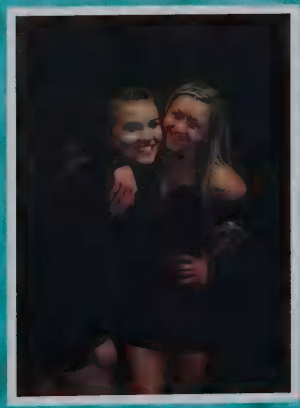




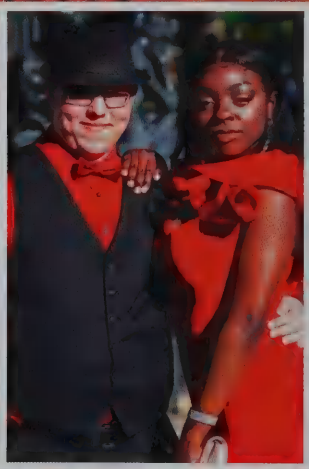


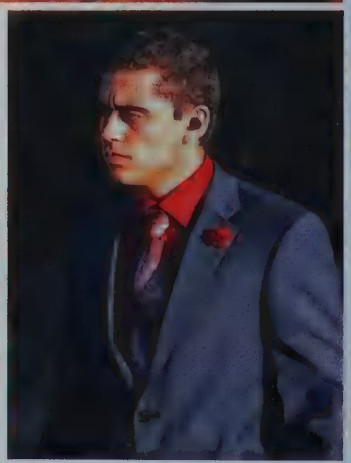


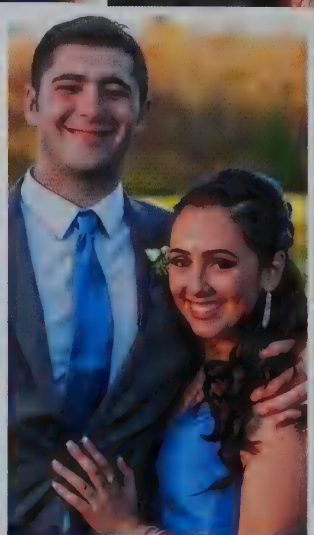


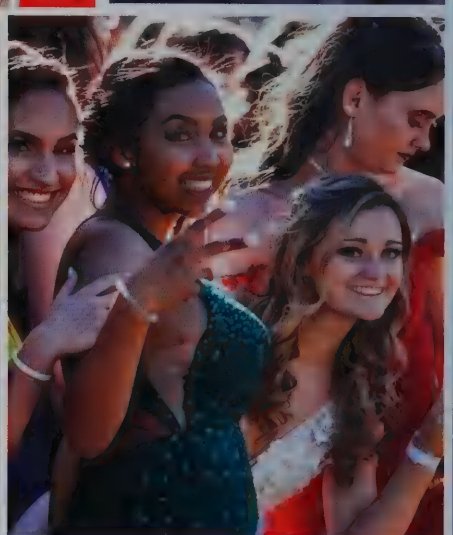


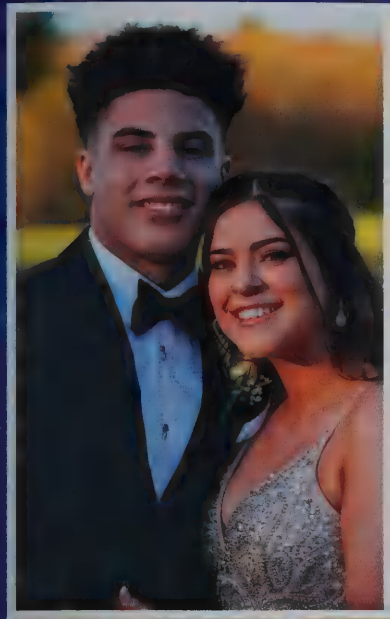
Prom



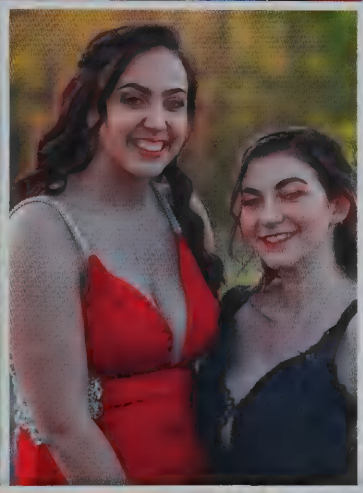


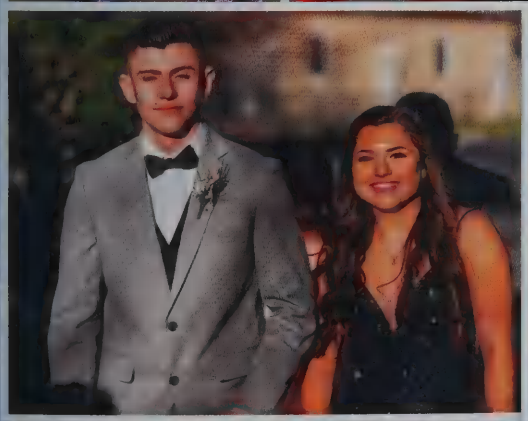


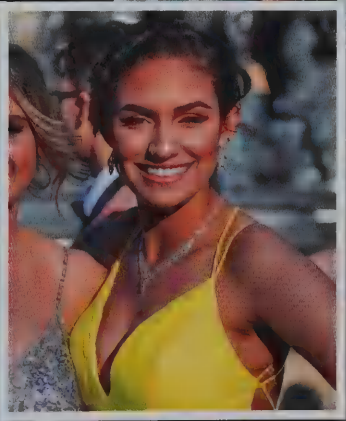


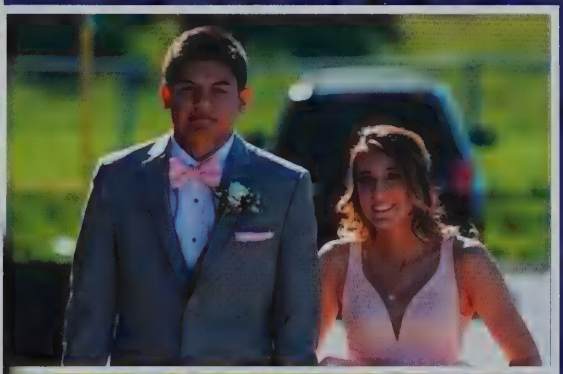


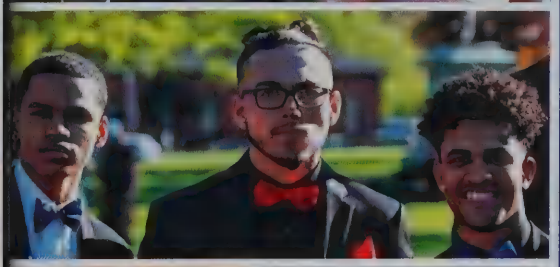
We celebrated Prom on May 11, 2019. Our theme was under the stars, which was fitting, as it was a truly magical night under the stars, at Cyprian Keys. It was definitely a night that none of us will ever forget.

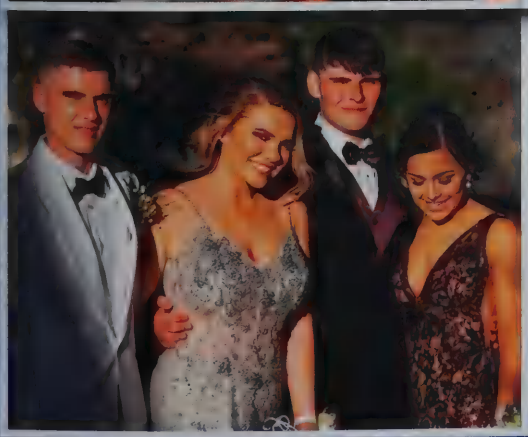


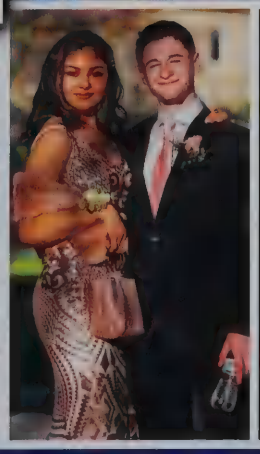


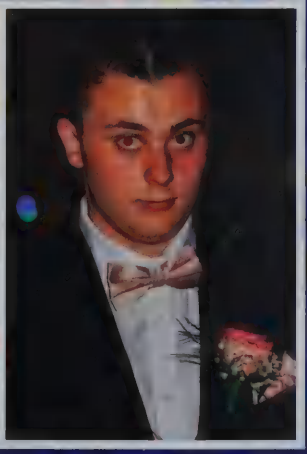












International Travel

April 12-20, 2019, 12 sophomores, juniors and seniors, journeyed to Spain to take in the sights, sounds and culture. We are grateful to the teachers and administrators who make these culturally educational opportunities a reality for us. Over April vacation of 2020, we were supposed to journey to Ireland, but with the international travel ban, due to Covid-19, we were unable to realize these travel dreams.

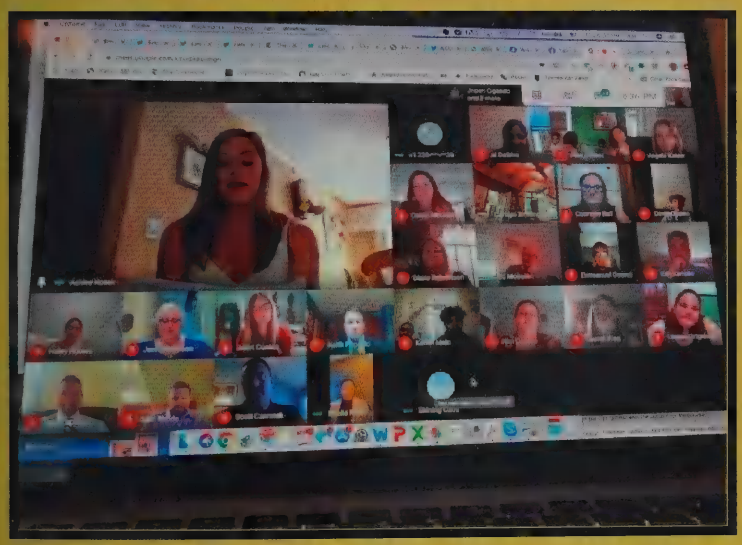
PAELLA

Excel Club

The Clinton High School Excel Club displays loyal help throughout the community with numerous service opportunities. The group volunteers at the town's annual Olde Home Day, Halloween Walk, Operation Christmas Child, Relay for Life, Daddy-Daughter Dance, the annual Senior Citizen Social, and at the Wheat Community Cafe, among other volunteer projects. Unfortunately, this year, our participation in the Relay for Life was sidelined by Covid, but our community spirit never wavered.

Step Up to Excellence

Step Up to Excellence consists of a group of students, chosen through a competitive selection process in the fall of their sophomore year. Each student is paired with a mentor from the Clinton High School staff. As members of Step Up to Excellence, students participate in many community service projects, bond through group events, have two summer trips and complete over 90 hours of community service. This year's Step Up graduates are Emmanuel Gomez, Kelvin Melo, Ashlee Nosek, and Sam Perez.



National Honor Society

Unfortunately, our NHS Senior Ceremony was derailed by the Coronavirus pandemic. However, our dedication to Character, Leadership, Scholarship and Service never wavered. We know that we will carry the lessons and tenets of the National Honor Society with us into our future lives.

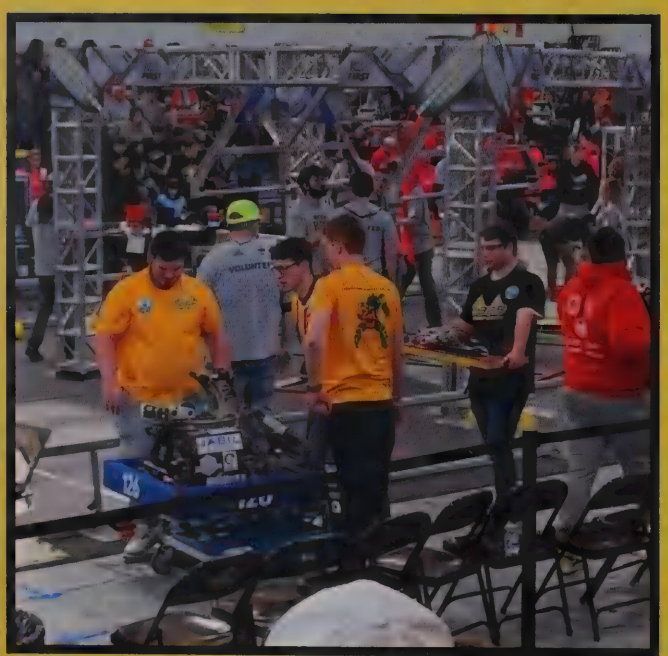
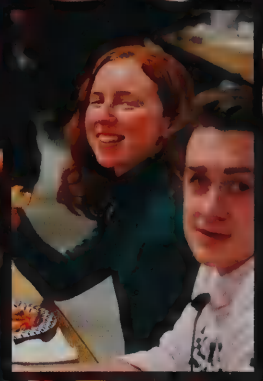
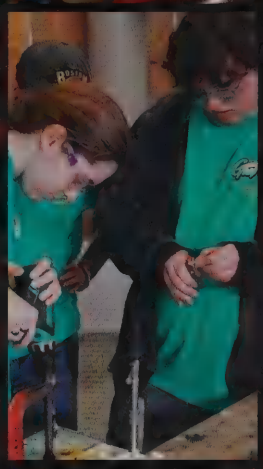
US First

The global Covid pandemic again disrupted our extra-curricular lives as our US First season was canceled before it really began. We had a chance to preliminarily try out our robot, realizing it could not yet climb, but we were unable to really see it in action. The local members of Team 126 would like to congratulate our graduating seniors who have given so much time and devotion to our competitions. Although we were unable to compete in Infinite Recharge this year, we are all certain to maintain a connection to this amazing, enriching program in years to come. We can't wait to cheer future years on as alumni of the program.







INFINITE
RECHARGE

Put on your big green sweater
with the big gold letter
as we cheer those Clinton Gaels along.

Through the worst of weather we will
stick together as we sing this merry song.

All hail the green and gold,
let Clinton's fame unfold

We'll raise the banner to the sky
for the honor of Clinton High!

As we go marching down the field,
we'll hold that line and never yield.

And then we'll fight to heights untold
for dear ole' Clinton's
Green and Gold!

The young Gaels football team faced a daunting schedule, playing many teams above our division, in a tough season-long journey. Despite the challenges, the team never gave up and worked hard to improve. Having lost many seniors from the year before, this was truly a rebuilding season, with a majority of our starting linemen coming from the Class of 2023.

Several Gaels were recognized for their season-long accomplishments. Richard Corelli and Lincoln Ashline were chosen as D6 All-Stars. Cam Weihn, Dalton Turini and Will Jent also received all-star recognition, with Jent earning accolades as the team's the academic all-star.

Softball

The Covid-19 pandemic threw a curve ball at the seniors' final softball season. The season didn't go quite as planned and the Lady Gaels were disappointed at not having the opportunity to repeat their visit to the district competition. The Class of 2020 would like to recognize these hard-working young women for the effort they have put in to make the Lady Gaels softball team one to contend with.

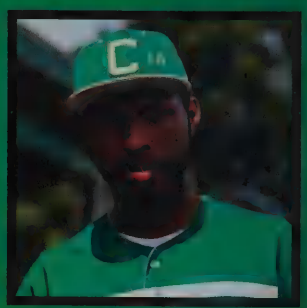
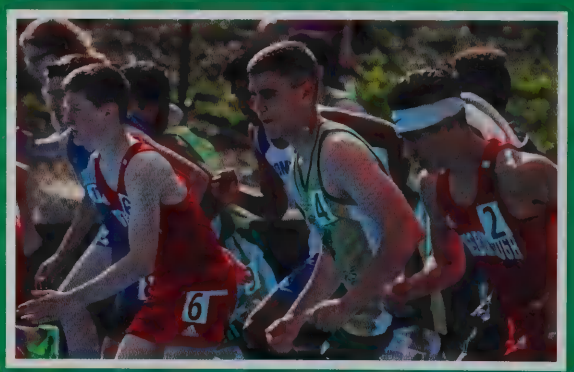
Throwing a strike at what Coach S. described as a "banner season," the Covid-19 pandemic benched our Gaels' baseball season. The seniors were disappointed at missing out on their run for the banner, but the Gael community wishes them all the best in the future and thanks them for their many years of devoted play to Gaels' baseball. You will be missed!



Spring Track



The Gaels Track teams had hoped to build off of the success from the prior year. With the direction of Coaches Nieves, Vanasse and Baer, the Gaels were hopeful for a record breaking season. Unfortunately, the Coronavirus had other ideas...

Senior Parade

June 6, 2020

Covid-19 may have disrupted our graduation ceremony, but it couldn't steal our spirit when it came to our senior parade. After viewing our virtual graduation movie, we assembled in the parking lot of the Veteran's Athletic Complex, drove around the school, being cheered on by faculty and staff, went down Main Street, up around the park onto Chestnut Street, down Water Street, onto High Street where we saw ourselves immortalized in photos on the light posts, and back to the Middle School. The administration and townspeople went out of their way to make this a special event for us and we are incredibly thankful.

Graduation was nothing like we had envisioned it as small children. Due to Covid-19, we missed out on the ceremony in the park, sitting in the sun, sweating as we listened to speeches, waiting to hear our names called, as we crossed the podium to shake hands with administration and receive our diplomas. Despite the disappointment of not being able to traditionally graduate, the administration and town made us feel special, by hosting a graduation movie on local cable and YouTube, as well as posting our photos on the light posts on High Street. We can certainly say, we have a great story to tell our children, grandchildren, nieces and nephews in the future!

Gael Spirit

- Toni Perla and Friends, CHS Class of 1989

What is Spirit? Spirit is literally defined as: life, soul and thought. It is a supernatural being, a brave individual, a ghost. It is vivacity and courage. It is enthusiastic loyalty.

What is Gael Spirit? Gael spirit takes on a meaning all its own. It's having the courage to continue on when all others have given up. It is never giving less than 100%. It is never having to prove yourself to others.

Gael Spirit is having the faith and determination to take risks, to dare to be different. It is never seeing anything as too big or too tough. It is seeing yourself as stronger and more able. It is always seeing the glass as half full instead of half empty.

Gael Spirit is perseverance. It is rising to the top in the face of defeat. It is never having to hang your head low when you have failed. No one ever fails unless they fail to try. Gael spirit is never having to say, "I quit."

Gael Spirit is togetherness, teamwork. It is together as a team, a club, a class and a school. It is working with each other instead of against each other. It is understanding. It is having the courage to admit when we are wrong. It is the courage to change what we can and accept what we cannot.

The true meaning of Gael Spirit lies within each of us. It is found in every person who ever put on a uniform, everyone who cheers them on and everyone who is silently pulling for them.

Look around you and then look inside yourself --- you will feel it because you possess it. **It is the Spirit of the Gaels.**

"I can be changed by what happens to me...
but I refuse to be reduced by it." ~ Maya Angelou

Giovanni, dear son, when you were a child we guided you on the path, holding your hands. But now time has passed so quickly and you have reached your wonderful achievement - graduating from high school with high honors. We are so proud of you. Never forget that the hands that have guided you will always be the same hands to hug you and applaud you when your greatest success is achieved - graduating from college.

Psalm 37:4 "Delight yourself in the Lord, and He will give you the desires of your heart."

Love,

Mami and Papi

Dear brother, you have done so well in school ever since... Well, I was young, so I wouldn't know, but now it's time for you to go to college and even though I am sad, it's going to be time for you to leave. I am so happy for you and I hope you are happy too, because if you are, you have just made me happier!

My Wish by Rascal Flatts

I hope the days come easy and the moments pass slow,
And each road leads you where you wanna go,
And if you're faced with a choice, and you have to choose,
I hope you choose the one that means the most to you.
And if one door opens to another door closed,
I hope you keep on walkin' till you find the window,
If it's cold outside, show the world the warmth of your smile.
But more than anything, more than anything

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish.

I hope you never look back, but you never forget,
All the ones who love you, in the place you live,
I hope you always forgive, and you never regret,
And you help somebody every chance you get,
Oh, you find God's grace, in every mistake,
And always give more than you take.
But more than anything, yeah, more than anything

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish. Yeah, yeah.

My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish (my wish, for you).

This is my wish (my wish, for you)
I hope you know somebody loves you (my wish, for you).
May all your dreams stay big (my wish, for you)

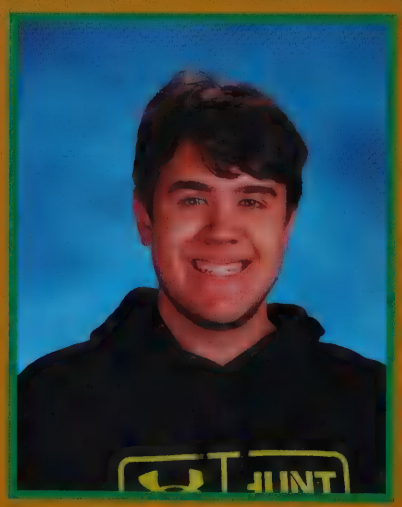
You did it!
Hope you're as
proud of yourself
as we are of you.



My dear Anysia,

The universe was smiling down when you were born as my daughter. It knew what joy and happiness you would bring to me and this earth. You are "complete" just like the meaning of your name. Your gentle, quiet presence brings peace. Your full heart is filled with love and compassion. Your bright smile is a light to all. Your kind soul reaches out to every creature. I am so very proud of who you are. Know you are gifted in so many ways and make this world beautiful and wiser. Be true to yourself. Love, pursue your passions, trust your instincts and stand firm in what you truly believe in. You will always shine in whatever you set your mind to. You are loved by many and especially Davis, Dad and I.

Love you more,

Momma

Congratulations Class of 2020 from all the classes that came before you! Go Gaels!
